

Declaration of Decontamination

KTR-N 70850 EN Sheet: 1 of 1 Edition: 2

Due to statutory requirements (GefStoffV/ADR) and for protection of staff and environment we require the signed Declaration of Decontamination (clearance certificate) before processing of the order.

Please attach the present Declaration of Decontamination outside on the packing to make sure we accept your consignment. We can only accept those products that are free of remnants. For any questions and problems we would ask you to contact decontamination@ktr.com before return.
